Each nomination will be reviewed and rated on a scale of zero to ten. An Order of Merit List (OML) will be developed for each of the three voting groups. Copies of the three OML's will be sent to each member of the Hall of Fame Board of Trustees. The Hall of Fame Board of Trustees will meet to review the OML's and establish a "break" point for nominees to be selected for induction. The Aviation Branch Chief, the Branch Chief Warrant Officer and the Branch Command Sergeant Major will be invited to participate in this review.

Induction

Inductions into the AAAA Hall of Fame are conducted annually. The selected individuals will be inducted during ceremonies that are held during the annual Army Aviation Hall of Fame Induction Dinner. The actual Army Aviation Hall of Fame is located at the U.S. Army Aviation Museum in Fort Rucker, Alabama, where the portraits of the Inductees and descriptive narratives are displayed.
