

Scholarship Donations

One hundred percent of your donation to the AAAA Scholarship Foundation, Inc., (SFI), goes directly to our scholarships. This is because the separate non-profit corporation, Army Aviation Association of America, Inc., (AAAA), picks up the total cost of administering the program for the AAAA Scholarship Foundation, Inc.

You may make a tax-deductible contribution of any amount to the general fund to help underwrite scholarships like the Enlisted, Warrant Officer, Company Grade, Spouse, upperclassmen, and graduate student awards.

Or you can earmark your donation for a specific Fund award like the GEN Howze, Mr. Cribbins, and Shughart/Gordon Medal of Honor scholarships, to name a few.

Finally, you can even establish your own award in your name or that of a loved one with a donation of \$30,000 or more that should generate a \$1,000 annual award. You may also donate through your local Chapter's Matching Fund Program. Contact the AAAA National Office for more details.

There are also Corporate Matching Fund programs and Heritage Matching Fund programs that allow outside organizations like the Vietnam Helicopter Pilot's Association (VHPA) to establish and fund programs for their members through our program.

Please contact the AAAA National Office for more information, (203) 268-2450, Scholarship@quad-a.org or simply fill out the form below and return to: AAAA Scholarship Foundation, Inc., 755 Main Street, Suite 4D, Monroe, CT 06468-2830. Please make checks payable to "AAAA Scholarship Foundation".

Thank you.
