

University of Southern California Institute for Creative Technologies Tour

University of Southern California ICT is a multidisciplinary research institute associated with the Army Research Laboratories. Focus is on artificial intelligence, virtual reality and animation for Army training purposes. Uses high technology and Hollywood graphics to provide world class simulation for the US. Army. www.ICT.USC.EDU

Thursday, September 13, 2018 - 1:30pm-3:30pm

Institute for Creative Technologies

12015 Waterfront Drive

Playa Vista, CA 90094

310.795.3881

Google Map: <https://goo.gl/maps/i3c9nH4UoBM2>

LIMITED GPS: We strongly recommend that you print directions before you depart from your location, as many GPS systems will not accept ICTs relatively new zip code.

PARKING & MEETING AT RECEPTION: Parking is available and ICT will validate.

Turn into the parking gate of our building. Pull a ticket and then turn left into our underground parking. After parking, walk past the valet station which leads toward an opening to our front patio. You should then see double-glass doors to the left that will lead you to our reception desk. Please ask for Magi (pronounced "Maggie").

PARKING VALIDATION INSTRUCTIONS: Please note that you will receive a validation ticket at Reception but you will need both the ticket you pulled and the validation ticket to get out. Please insert the ticket you pulled first and then insert the validation ticket at the parking stand when you leave.

Tour space is limited, please RSVP to: socal.quada@gmail.com

Lunch & Chapter Meeting: Pay your way.

Time: Prior to the start of the tour @ 12 noon

Location: Big Mango (next door to ICT)

12035 E. Waterfront Dr,

Los Angeles, CA. 90094

310-862-9400

(actually in Playa Vista...)
