Mission Area Awards
2019 AAAA TVC Mission Area Awards Nomination
Form (Suspense Date: April 30, 2019)

Please submit your nominations for the Mission Area Awards to be presented at an upcoming TVC AAAA Social. The awards will be selected quarterly by a TVC AAAA board with members representing each mission area. The awards will be given to Military and/or DA Civilian individuals that have provided exceptional and innovative support to their mission area. This is a great way to recognize our outstanding Government workforce. Guidelines are as follows:

- No extensive write-up is required. Mission Area Awards will be presented on a recurring basis so specific contributions should cover only the last 3-12 months.
- No board or selection activity, external to the TVC AAAA, is required; however, it is helpful if each organization submits only one name per Mission Area category.
- For each nominee, identification of mission area and short description of specific contributions for the past 3-12 months is all that is required. Example: "John Doe is hereby nominated by the Utility PMO for his outstanding technical support for...."

If you have issues with registration, please contact one of the following TVC board members:
Ray Sellers: zjraysers@gmail.com
Shannon Kirkpatrick: slkirkpatrick@ymail.com
The award will be presented by the TVC AAAA President and pictures will be posted to the TVC AAAA website afterwards.

POC on the Nomination
