

CHAPTER ACTIVITIES REPORT

InfoFile-February, 13

The strength of the Army Aviation Association of America comes from the personal participation of its members, and at the heart of this strength is the AAAA's worldwide network of Chapters. Chapters provide members with the opportunity to participate in activities, work for common goals, develop contacts, and build a reputation at the local level.

Please take a few moments to provide a review of your Chapter's activities during the past year -- highlighting what worked and what didn't -- so that we may share this information with other AAAA Chapters. PLEASE NOTE-this information is used for the Top Chapter Award.

PLEASE RETURN TO AAAA BY JANUARY 1.

Experience has shown that the more active and innovative our Chapters are, the stronger the AAAA is as a whole.
