

## **CORPORATE MATCHING FUND PROGRAM**

### **CORPORATE SCHOLARSHIP FUND CONTRIBUTION FORM**

Please complete this form for each scholarship to be awarded. Duplicate this form as necessary.

The AAAA Scholarship Foundation, Inc. is a not-for-profit, tax-exempt 501C-3 corporation organized to render financial assistance for the college-level education of members of the Army Aviation Association of America, Inc., and spouses, unmarried siblings, and children and grandchildren of members and deceased members.

Our Corporation wishes to participate in the Corporate Scholarship Fund Scholarship Program.

**We understand that this form and our check made payable to the "AAAA Scholarship Foundation, Inc." must be received at the National office by June 15 of the year in which the scholarship will be awarded.**

These scholarships are endowed by corporate donations and matched based on gross revenue for our industry partners. For those corporations with gross earnings less than ten million dollars the match is up to \$15,000 and for those corporations with gross earnings of ten million dollars or greater the match is up to \$10,000. Each type of corporate grant must be matched within a five-year period from the General Fund, and is *subject to General Fund availability* and shall be awarded in perpetuity in accord with the wishes of the donor corporation, consistent with Foundation policy, unless otherwise stipulated, whereby scholarships are awarded first to the top one-third freshmen, upperclassmen, and graduate students, then the middle third freshmen, upperclassmen, and graduate students, and lastly the bottom third freshmen, upperclassmen, and graduate students. While all donations to a corporate fund are accepted, only those received directly from the corporate sponsor will be matched. It should be noted that in all cases a total principal of \$30,000 must be reached in order to become “permanently restricted” and complete the company’s pledge. For example an over \$10M class of company must pledge \$20,000 and only its first \$10,000 will be matched by the AAAASFI for a total of \$30,000.

We understand that eligible applicants affiliated with the corporation, either directly or through their AAAA member relative, will be given preference over other applicants on the overall Order of Merit List (OML) established by the Selection Committee. If there are no applicants affiliated with the corporation, the scholarship will be awarded to the next most meritorious applicant on the OML. All awards will be awarded in the following priorities: freshmen, upperclassmen, and graduate students.
