NSRWA CLS Success

- Sustained combat flying hour programs (+26,000 hours) meeting US Army OR/Bank Time standards
- Integration of four (4) foreign Depots into the CLS Fight
- Contract agility to meet Customer requirements (retention of aircrew instruction/mentorship in CLS mission)
- Strong linkage to stakeholders (responsive around the clock, Forward Cell construct)
- OEM standards and airworthiness (your sons or daughters aboard)
NSRWA CLS Leader Issues

- Russian Sanctions
- Fixed Price Contracts
- Mi-17 Sunset
DoDs involvement in non-standard rotary wing aircraft management is significantly different than 2010

The scope and responsibility of the NSRWA PMO fleet continues to grow

*Not just Mi-17s….*

NSRWA portfolio continue to expand to meet the needs of our Partner Nations
