OEM Futures

Mike Booen, Dir U.S. Army Attack Helicopter Services

October 4, 2017

Partnership Intent

- Increased operating time of Weapon Systems
- Sustainment Support Capability Development
- Support to Warfighter and Soldier

US Army Sustainment

- Broad flexible sustainment solutions
- New derivative product lines
 - AH64 “E”
 - CH47 Block II
- Lifecycle cost optimization
- World Class quality & performance
- Surge capability
- Win-Win long-term relationship

Together we can “Fight Tonight and Sustain Always” protecting the warfighter and our soldiers.

~ Maj Gen Douglas Gabram, AMCOM, AAAA Nashville 2017
